

Greetings,

Our 2017/2018 winter soccer program has been developed and is ready to go. This winter we will provide training and competitive tournament opportunities for all players in our U8 through U19 age groups. If a player's birth year is 1999 through 2010, a player is eligible to play. Winter soccer (futsal) training is a great opportunity for our players to enhance their technical (manipulation of the ball) and their tactical (decision making) abilities. Players will work with trained coaches on important age appropriate activities throughout the winter months and will have opportunities to participate in various tournaments and events. At the conclusion of the Winter season, players will receive a written evaluation form from their age group coach noting their strengths and areas of potential improvement.

Players attending a tournament will be required to wear a Hub City Soccer competitive uniform. For those players who do not already have a HCSC Uniform kit, information can be obtained from your Team/Age Group manager.

Tournament Schedule: We obviously encourage our HCSC teams to participate in the HCSC Winter Invitational Tournament at the Presentation College Dome. Boys Tournament weekend is December 29th-31st. Girls Tournament weekend is January 5th-7th.

Other Possible Tournaments: Please visit http://www.southdakotasoccer.com/tournaments/sanctioned_tournaments/ to view various event dates/locations in South Dakota. While this is a comprehensive list for South Dakota events, teams are not limited to these choices. Events will be offered based upon input from players/parents, coaches, and HCSC staff.

Training: Teams will train 1 to 2 times per week. Team attended events will obviously impact training times. Normally, this works out to 20-25 training dates per age group by the end of the Winter season.

Dates: Training will begin the week of December 1st, and the Winter season will conclude mid-March.

Costs: Winter Competitive Program = \$82 if registered/paid by November 14th. \$99 if registered after November 14th.

What is included in this registration fee: SDSSA and US Soccer registration fees, secondary insurance for players, coaches cost for training, training equipment, and any training facility costs.

What is NOT included in this registration fee: Any events/tournaments outside normally scheduled training. Tournament cost information is included in the Winter Program informational/FAQ document.

Registration: Can be completed online by using the following links – www.HCSC-hubcitysoccer.sportsaffinity.com (If you do not have a user name, you will need to set one up to continue).

We look forward to seeing everyone this winter season and we are excited to provide you up to date details of the competitive program. You can also visit our website, www.hubcitysoccerclub.com for further details and news.

Any questions or concerns, please feel free to contact the office via phone (225-0088) or email aberdeensoccer@nvc.net
