

Hub City Soccer Club Parents & Players,

We want to make you all aware of a significant change regarding team jerseys/shirts that was implemented during the Spring 2018 City League season. In the past, we have distributed a T-shirt to every player for use during the season. At the end of the season, those shirts many times ended up in the rag bin, or at the bottom of a drawer.

If you did not participate in the Spring 2018 City League season, this fall each player in the U7 (Birth year 2012) and older leagues will receive 2 (two) high quality "Dri-Fit" Hub City Soccer jerseys/shirts.....one red and one blue. These jerseys will be the game jerseys, and the home team (as listed on the game schedule) will wear **RED** jerseys, and the visiting team (as listed on the game schedule) will wear **BLUE** jerseys for each game.

These jersey/shirts will be handed out at the Soccer complex South Concession stand building, and the players will be able to try on the shirts for sizing as needed on:

**Wednesday August 22nd 5:30pm-8:00pm**

**Monday August 27th 5:30pm-7:30pm**

**Tuesday Aug 28<sup>th</sup> 5:30pm-7:30pm**

If you cannot make **any** of listed times, please contact the soccer office.

**\*\*Please note –** These "Dri-Fit" jerseys are being provided this fall at no cost to the players. As noted, they will be used in future seasons also, so players should not discard them after the fall season. If players lose them, destroy them, grow out of them, or just want some extras.....replacement jersey/shirts are available at the soccer office at a cost of \$10 each.

If you have any questions about any of the above, please contact the soccer office at [aberdeensoccer@nvc.net](mailto:aberdeensoccer@nvc.net) or 225-088. Thank you.
