

2024 Pre-Season Girls Soccer Camps

Camp Information · Camp Schedule · Cost · Registration Form

Aberdeen Central High School will be offering two girls high school soccer camps this July in anticipation of the beginning of the high school season. All players (Grades 7-12), interested in playing high school soccer this fall, are encouraged to attend these camps to begin preparation for the fall season. Experience has shown that the more active a player is before high school tryouts, the better she will show during tryouts. The camps offer the opportunity to develop your skills. **The Open Camp held July 22-25 is open to 6th graders who are looking for a preseason camp before the fall season starts.**

In order, to make it as easy as possible for a player to register, a single registration form will be used for both camps. Sessions will include conditioning, instruction and practice of both technical and tactical skills that will be of value during the high school and recreational seasons.
