

Hub City Soccer Club Field Goal Sponsorship

Hub City Soccer Club values your interest in supporting our players! Field Sponsorship allows you to plug into the efforts of skill building for local Aberdeen soccer players of all ages.

Field Goal Sponsorship will run Spring/Summer or Fall seasons, as a seasonal field sponsorship.

Field Goal Sponsorship Opportunity: \$250

Field Sponsors will have their logo featured on the field goals of both sides for the field they sponsor, to remain up for the entirety of the season. Your business will receive mentions on Facebook at the beginning of the season and throughout as the season games continue.

Business logo must be provided by the business to Hub City Soccer Club—all signs are designed and produced by Geffdog.
